Higher Secondary School Certificate (HSC)

Janata Junior Collge Ghugus

Achievements:

- Achieved a Percentage of 71.69

20146 ↑ 2013

Secondary School Certificate (SSC)

Janata Vidyalaya Ghugus

Achievements:

- Achieved a Percentage of 72.60

Projects

2023-2024

Oncquest

Full Stack Developer

- Led the development of a comprehensive healthcare management system for Oncquest, utilizing Laravel and Vue.js.
- Designed and implemented RESTful APIs with Laravel to facilitate seamless data exchange between the back-end and front-end.
- Built dynamic and user-friendly interfaces using Vue.js, focusing on responsive design and accessibility.
- Employed Vuex for state management and integrated Vue Router for efficient navigation across multiple user modules.
- Conducted rigorous testing and debugging to ensure reliability, scalability, and optimal performance across the application.
- Collaborated with cross-functional teams to gather requirements and deliver features aligned with client expectations.

2023-2024

Krayin CRM

Full Stack Developer

- Designed and developed a custom package for Krayin CRM using Vue.js and Laravel to extend core functionalities.
- Enhanced user experience by creating interactive front-end components with Vue.js, ensuring a dynamic and responsive interface.
- Utilized Laravel's package development features to build a reusable, modular package, streamlining integration within the CRM ecosystem.
- Implemented state management with Vuex and seamless client-side navigation using Vue Router, tightly coupled with Laravel APIs.
- Collaborated with back-end developers to optimize data flow between Laravel controllers, models, and the Vue.js interface, ensuring robust performance.

2023-2024

TMS (Big Basket)

https://bbtms.centumlearnpro.in/

Managed trainer and participant data for a training management system, ensuring effective organization and utilization of resources.

2023-2024

Lal Path Labs Website

https://www.lalpathlabs.com/

Developed and maintained the Lal Path Labs website, ensuring seamless user experience and functionality.

2023-2024

LPL Bangladesh Admin Panel

https://lpl-bangladesh-admin.abymtech.com/admin

Developed and managed the administrative panel for LPL Bangladesh, including SEO management for enhancing online visibility and search engine rankings.

2020-2021

Magical Umbrella Website

https://magicalumbrella.com

Developed and maintained the Magical Umbrella website, ensuring user-friendly design and functionality.
